

LLC Workshop

Friday 2 December 2022

09:30 - 12:45 Biblioteca di Filosofia (Sala 1)

# Evidence and Scientific Method

*Jacob Stegenga* (Cambridge University): "Simulating medicine: testing speculations about medical science and clinical practice"

*Caterina Marchionni* (University of Helsinki): "Evidential variety and mixed-method research"

*Gustavo Cevolani* (IMT Lucca): "Reverse Inference in Cognitive Neuroscience and Inference to the Best Explanation"

The workshop will be followed by the doctoral thesis defense of Malvina Ongaro (Università del Piemonte Orientale) and Cristina Sagrafena (Università di Torino). The event will take

place in Aula 4.03 (Via Sant'Ottavio 54), starting from 14:45.
